

# Tarun Kumar Sarker

## Frontend Developer

I'm a Frontend React Developer proficient in creating dynamic and responsive user interfaces. I bring a keen eye for detail and commitment to delivering exceptional user experiences. Passionate about clean code, usability and staying abreast of industry trends. I can convert Figma design to a perfect responsive web template and give them life using React Js. Let's build engaging web solutions together!

(2002-2003) - Savar, Dhaka.

## Skills & Tools

HTML5, CSS3, Tailwind CSS, Bootstrap, Jquery, Figma, PSD, JavaScript, React, Redux Tools Kit, Gsap

## Strengths

Problem Solving Skills  
Team Collaboration  
Time Management

## Passions

**Continued Learning:**  
Passionate about enhancing my technical skills and learning new technologies in the constantly evolving field of web development.

## Language

English

Bangali

## Experience

### 2024 (3 Months)

**Creative It Institute | Dhaka, Bangladesh.**

#### Intern of Frontend Development

- **Worked on web applications:** Contributed to building and enhancing frontend features for live projects using HTML, CSS, JavaScript, and React. Improved UI/UX by implementing interactive components and ensuring responsive design across devices.
- **Used React and JavaScript:** Created reusable React components to improve modularity and code maintainability. Utilized hooks for state management and lifecycle methods to optimize application performance.
- **Tailwind CSS Integration:** Developed responsive designs using Tailwind CSS, ensuring mobile-first design principles were applied. Collaborated with designers to implement pixel-perfect interfaces.
- **Implemented animations using GSAP:** Integrated animations to enhance user engagement and smooth transitions between page elements, improving overall interactivity and visual appeal of the web applications.
- **Version Control and Code Review:** Used Git for version control and collaborated on GitHub. Participated in code reviews and maintained clean, well-documented code.

### 2020-2022

**Village Education Resource Center (VERC) | Savar, Dhaka.**

#### Project Officer

##### Responsibility:

Project Planning, Coordination, Resource Management, Risk Management, Documentation, Monitoring & Reporting, Quality Assurance, Conduct Training & Meeting.

### 2012 - 2019

**Village Education Resource Center (VERC) | Savar, Dhaka.**

#### Program Organizer

##### Responsibility:

Project Planning, Timeline Management, Resource Coordination, Team Coordination, Stakeholder Engagement, Risk Management, Documentation, Monitoring & Reporting, Logistic Management, Quality Assurance, Conduct Training & Meeting, Closer & Evaluation.
